CSSE-4150 Software Engineering - Term Report I

Computing is carried out under various issues and responsibilities. You are required to submit a report on the Professional, Ethical, Legal, Security, and Social issues and responsibilities in computing. One page is needed for each. You may write more than a page if needed. Please include examples.

DELIVERABLES

Document all your findings in a report and submit it by the due date. You will present your report and engage in a discussion with the instructor and other students. **Report Collection Date is 10/15.** *Missing any deadline will result in losing 5 points.*
